**TO:** Mayor, Councilmembers and City Administrator  
**FROM:** David McKnight, City Administrator  
**SUBJECT:** Discuss Process to Fill City Council Vacancy  
**DATE:** March 20, 2017

## **INTRODUCTION**

With the resignation of Tim Pitcher from the city council, a vacancy now exists that the city council must fill.

## **DISCUSSION**

With less than two years remaining on the vacated term, the city council gets to appoint an individual to fill this seat through December 31, 2018. The purpose of this discussion item is to allow you time to discuss the process you would like to use to fill the vacancy.

The city has had vacancies that have been filled by appointment in the past. The methods used by previous city council's included taking applications from interested residents to appointing the next highest vote getter in the last election.

The city council can chose whatever process you would like to fill the current vacancy.

As a reminder you now also have vacancies to fill on the Economic Development Authority, MUSA Review Committee and the Empire/Farmington Planning Advisory Committee.
